

School Days Museum News Summer 2021

Good news! The School Days Museum is open! From June 14 to August 20, 2021, the visiting hours are from Monday to Friday, 9 am to 4 pm. Some restrictions will apply in compliance with the Covid-19 Operational Plan for the Justice Building. Masks required. Guided and unguided tours restricted to groups of 5. If you have been to the museum before, you will now see different exhibits and displays in a bright cheery atmosphere. Enjoy re-enactments in the one-room school atmosphere Tuesdays and Wednesdays at 1:30 pm. To find the museum, drive down to the end of York Street and park behind City Hall for \$1 per hour. Look for the sign 'School Days Museum' above the door of what was once the east entrance to the former Teachers College. Enjoy a trip down Memory Lane as you observe what education in NB was like many years ago! Admission: Free.
